PROJECTS

IIITians Network - [Click here](#)

- Designed and developed a full-stack national-level platform connecting **30,000+ IIIT students** across **28+ institutes**, enabling collaboration, official updates, verified community engagement, and centralized access to placement and institute data.
- Implemented secure authentication, role-based access control, and scalable REST APIs using React, Node.js, Express, and MongoDB, making the platform **3× more scalable** and future-ready for large-scale feature expansion.

Vibe Code Editor - Browser IDE - [Click here](#)

- Built a full-stack browser-based IDE using Next.js, Monaco Editor, and WebContainers, supporting **6+ frameworks** and reducing project setup time by **70%** through instant cloud-based development environments.
- Developed a real-time coding platform with **200ms latency**, integrating a Judge0-compatible compiler supporting **20+ languages**, secure Google/GitHub authentication.

Universal Resume Intelligence Engine - URIE - [Click here](#)

- Engineered an AI-powered resume builder with ATS optimization and keyword enhancement, **improving ATS screening performance by up to 40%** while reducing resume creation time by nearly 70%.
- Implemented **20+ customization features** including real-time preview, template switching, and AI-powered recommendations, enabling users to create professional resumes over **3x faster**.

RELEVANT COURSEWORK

Object-Oriented Programming (OOPs), Data Structures & Algorithms (DSA), Database Management Systems (DBMS), Operating Systems (OS), Software Engineering (SE), Web Development, Machine Learning (ML)

ACHIEVEMENTS

- Achieved a **top 15% contest ranking on LeetCode**, consistently solving algorithmic challenges involving graphs, dynamic programming, greedy algorithms, and advanced data structures under time constraints.
- Solved **650+ DSA problems** across LeetCode, GeeksforGeeks, and CodeChef, mastering key problem-solving patterns (DP, graphs, recursion) and optimizing time/space complexity.
- Zinnovatio 3.0 Finalist** — Secured a position among the **top 50 teams out of 880+ nationwide**, presenting [HealSync](#), an AI-driven healthcare platform.

POSITIONS OF RESPONSIBILITY

Vice President, IIITians Network

2026 – Present

- Led strategic growth and operations for a nationwide IIIT community spanning **19,600+ members across 28+ institutes**, driving collaboration, engagement, and cross-campus initiatives at scale.
